

We Need YOUR Help With Our Annual Warm Clothing Drive

There are many families in our community who are in desperate need of help. Many, including children, need warm winter clothing. Our team has set a goal to collect 250 New or Gently used winter items, such as coats, socks, scarves, or gloves, to help those that are less fortunate than ourselves. If you have any warm clothing that your children have outgrown or something that you no longer wear, please consider donating it.

As our way of thanking you for helping with **for your donation**, we will give you a gift certificate for \$50 off any service we offer, which will be yours to keep or share. **Also**, you will be entered in a drawing to win a \$50 Visa Gift Card, which may help with your holiday shopping!

Thank you so much! **Please bring your clothing donations to our dental office by January 31, 2023.**
